Data controllers, who then provide you with the following information:

1. The information that is the subject of this communication concerns all your personal data provided by you directly, as well as other data relating to you that will be acquired in the future.
2. The data processing takes place for purposes related to the management of the registration to participate in as exhibitors at the **64th AFI Symposium**, for which registration is requested, and to simplify the necessary procedures to allow future holdings.
The legal bases of the processing are the execution of a request by the interested party and the legitimate interest of owners to manage the data of the participants in an effective way to promote the knowledge of information of interest for sector operators and encourage networking. The legal basis of the processing is the consent of the interested.
3. The data also relating to the online activities carried out to participate in the webinar will be entered in a database and / or stored, for the time strictly necessary in relation to the purposes indicated above, in paper archives or on magnetic media and will be processed by us manually or through the aid of systems electronic, telematic and with any other means made available by technology and technological evolution in compliance with the law. The data will be processed in a lawful and correct manner and, in any case, such to guarantee the security and confidentiality of the data.
4. The provision by you of the data for the aforementioned purposes is optional. Your eventual Refusal to provide data may make it impossible for the owners to carry out the planned activities.
5. Your personal data may be disclosed to subjects in charge of instrumental treatments with respect to for the purposes indicated above and to persons authorized to process or designated data processors by the owners.
6. For the purposes indicated in point 2, the processing in the context of participation in the event, except in the case of particular needs reported by the interested parties will not be subject to personal data falling within the category some CD. data "belonging to particular categories" pursuant to art. 9 of EU Regulation 2016/679 applies to say data suitable for revealing racial and ethnic origin, religious, philosophical or other beliefs, political opinions, membership of parties, trade unions, associations or organizations of a religious or philosophical nature, political or trade union, as well as personal data suitable for revealing the state of health and sexual life. In if such data were to be provided on the initiative of the interested party, consent to the processing will be requested of the data itself.
7. Finally, we inform you that the rights contemplated by art. 15-22 of the Regulation on personal data, including that of obtaining from the Data Controller confirmation of the existence or otherwise of their personal data and to allow it, if necessary, to make it available. You can therefore ask to have knowledge the origin of the data as well as the logic and purpose of the processing; to obtain the cancellation, the transformation into anonymous form or blocking of data processed in violation of the law, as well as updating, the rectification or, if there is interest, the integration of the data; to oppose, for legitimate reasons, the processing, in addition to the portability of data and the limitation of treatments. In the cases provided for by the legislation, it may submit complaint to the Guarantor for the protection of personal data. You can contact the office directly of the Data Controllers indicated above, by fax or ordinary mail or to the e-mail address indicated.

Pursuant to EU Regulation 2016/679 and subsequent amendments, I declare that I have taken note of the information above and of the rights recognized to me and I give my consent to the processing of data.
