FOR A NEW DISTRIBUTION

STANDING BY  
THE HEALTHCARE  
DISTRIBUTION  
FOR 60 YEARS

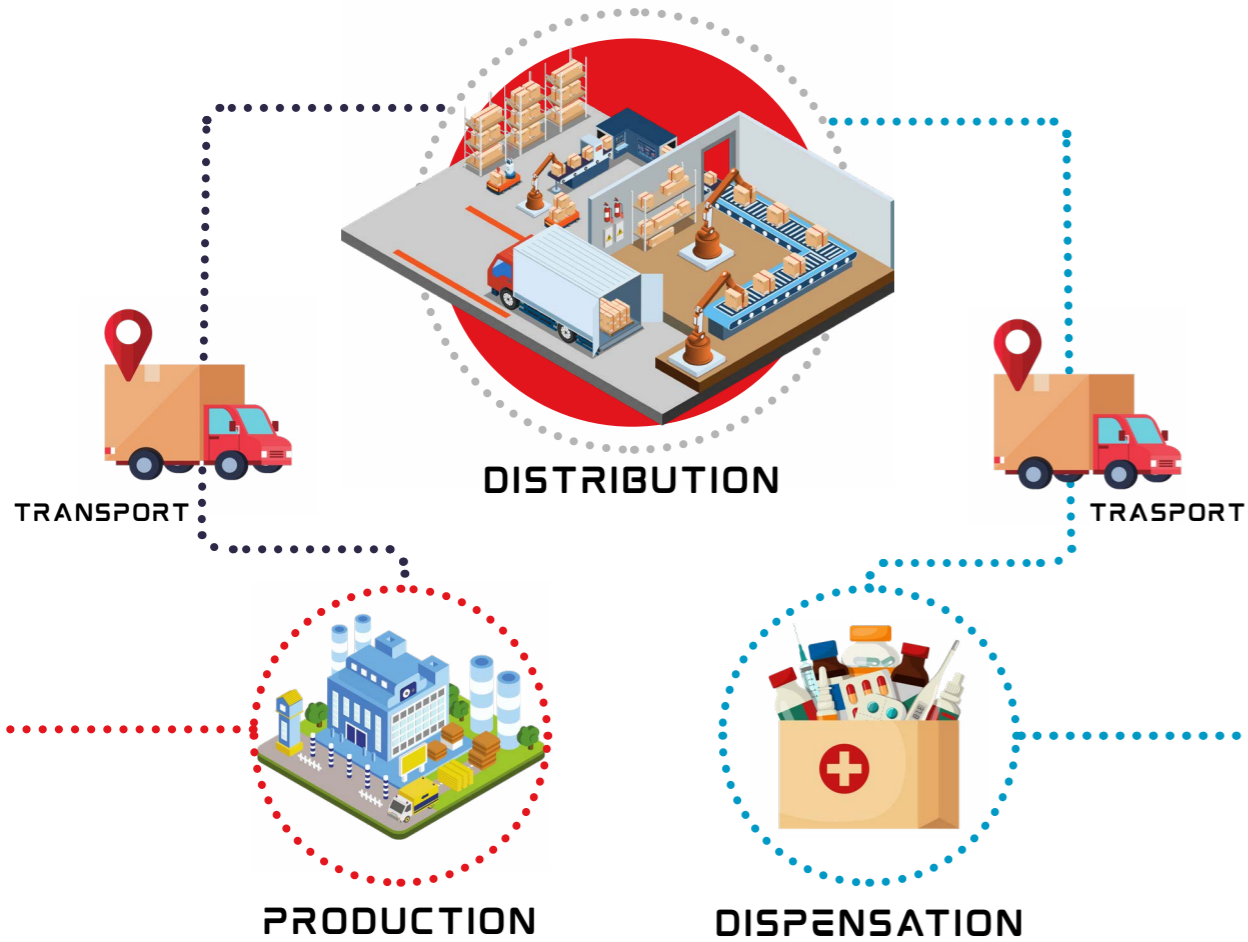

## THE NEW ASSORAM

Liphe comes into being as the natural result of over **sixty-year old history and commitment** to standing by companies and industries operating in the distribuion and healthcare services in Italy. **As non-political and non-profit association** Liphe represents nowadays a dynamic and vital network with over one hundred companies which are daily committed to guaranteeing quality, safety/security and timeliness in the healthcare distribution and transport.

## WE ARE LEGALLY ACKNOWLEDGED

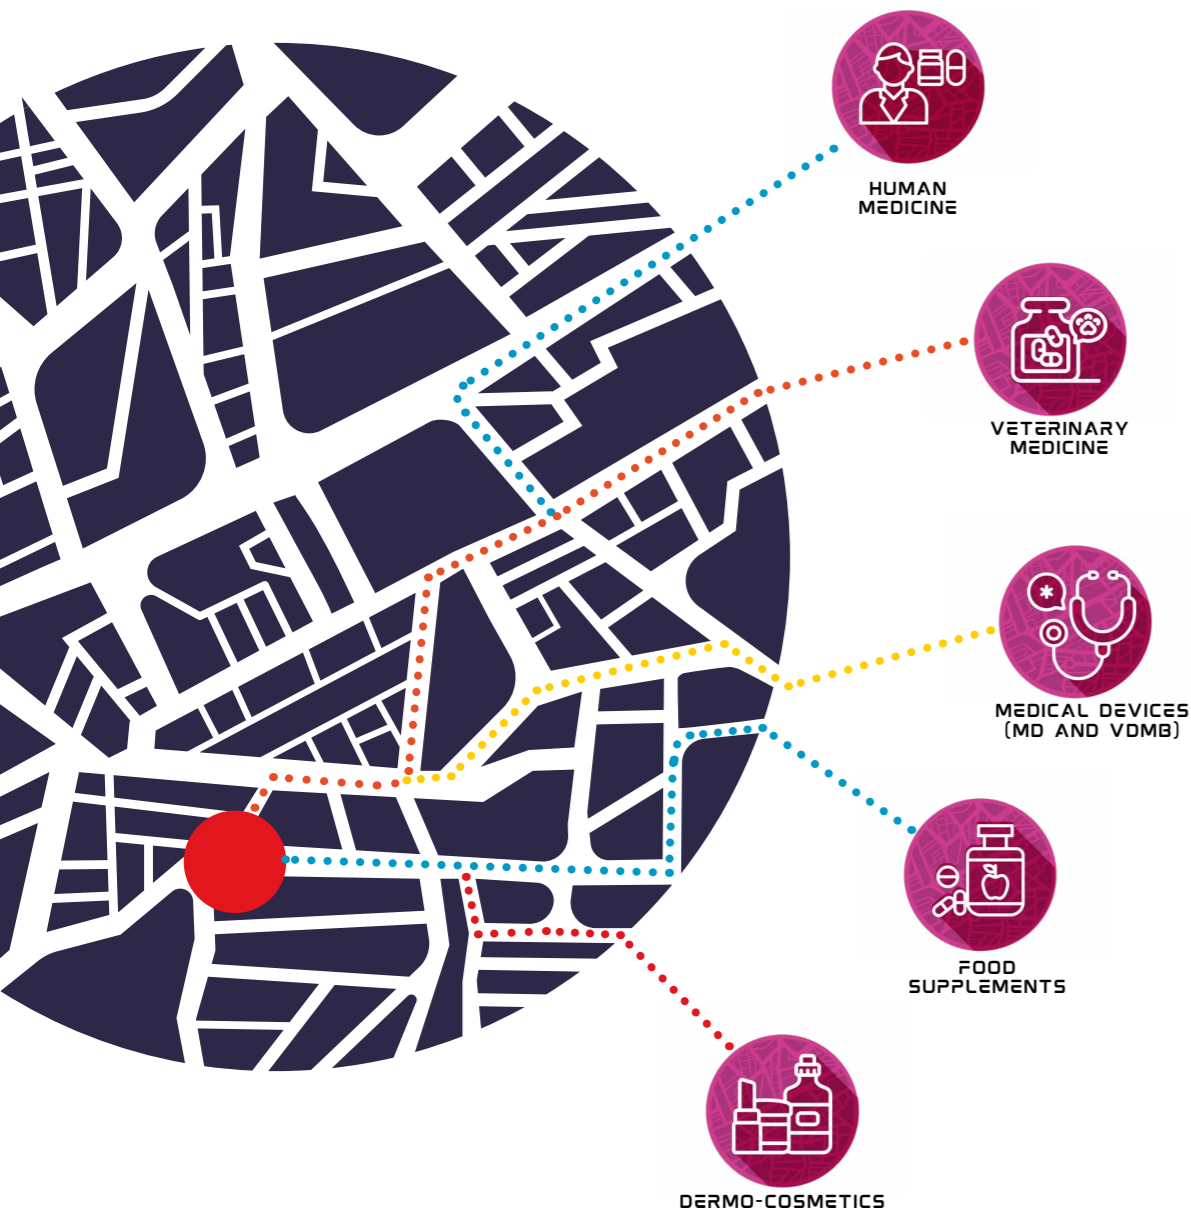

Our association is registered with the public register of legal persons. Our asset and administrative **transparency** provides a guarantee for anyone interacting with us.

## SAFETY AND SECURITY, TIMELINESS AND EXTENSIVE DISTRIBUTION

## LIPHE STRATEGY MAKES THE DIFFERENCE

Healthcare distribution and transport are known as a strategic **pillar for the health-care system and public welfare** providing not only for continuous and ongoing treatments, but also bringing about safe, secure and prompt access to innovative therapies as well as a sustainable supply chain and care models closer to patients.

## LIPHE RELIABILITY MAKES THE DIFFERENCE

We are currently representing over one hundred companies distributing healthcare products such as medical devices for hospitals, food supplements for our daily well-being, biocides for crops, livestock antiparasitics.

Our associates play an active role for the **public welfare** by guaranteeing increasingly personalized services with ever more innovative products.
